## Communicate clearly. Move freely.

The Snom A350M is a high-quality mono Bluetooth headset for modern business environments. With the ability to connect two Bluetooth devices simultaneously, it offers maximum flexibility whether you are working at your desk or on the move. Equipped with HD audio and preset equaliser settings via the Snom Connect app, the A350M delivers crystal clear voice quality tailored to

your preferences. The integrated busy light minimises interruptions and signals your availability at a glance. Thanks to the USB-C port, the headset can be charged quickly and easily and is always ready for use. Whether in the office or on the move - the Snom A350M is your reliable companion for professional communication.
