Safety instructions (GPSR)

- **Note:** the nameplate is located at the bottom or rear of the product.
- Power is provided by the phone via the USB connector.

A power adapter (available separately) is needed for the second module which also supplies power to the third module via USB. The third module may also need a power adapter if a USB device is connected to its USB port.

- **D81x, D86x:** Manufacturer: MassPower, EU & UK: Model NBS12E050200UV (Snom P/N 00004570)
- **D89x:** Manufacturer: MassPower, EU & UK: Model NBS18C050300D5 (Snom P/N 00004715)

Other power supplies may damage or even destroy the device.

- The socket outlet for the power adaptor must be near the equipment and easily accessible.

- Mount the device only at heights not exceeding 2 m.
- Avoid placing the cables where people may trip over them or where they may be exposed to mechanical pressure as this may damage them.
- This device is for indoor use only! NOT FOR OUTDOOR USE!
- Do not install the device in rooms with high humidity (for example, in bathrooms, laundry rooms, damp basements). Do not immerse the device in water and do not spill or pour liquids of any kind onto or into the device.
- Do not install the device in surroundings at risk for explosions (paint shops, for example). Do not use the device if you smell gas or other potentially explosive fumes.
- Do not use the device during thunderstorms. Lightning striking the power grid may cause electric shocks.

Technical specifications

Scan the QR code to access the following online document: [data sheet D8C](#). There you will find a complete overview of all technical data.

Standards conformance

 This device complies with the essential health, safety, and environmental requirements of all relevant European directives and UK and AU legislation.

Unauthorised opening, changing, or modifying the device will cause the warranty to lapse and may result in the loss of conformity CE/UKCA. [You can download the declaration of conformity at https://www.snom.com/conformity.](#)

Disposal

This device is subject to European Directive 2012/19/EU (WEEE) and may not be disposed of with general household garbage. If you do not know where to dispose the device at the end of its lifespan, contact your municipality, local waste management provider, or vendor.

Cleaning

To clean the device, use an antistatic cloth. Please avoid cleaning liquids as they might damage the surface or internal electronics of the device.

Further information
