## Additional cordless DECT handset for HD31x/HD31xA with charging cradle

With the HD3 that is delivered with its own desk charging cradle, you can expand all HD3x1 and HD3x1A with up to 3 or 4 additional cordless handsets and thus offer your guests all the advantages in a larger space, as you can make calls in up to 5 locations/rooms. All handsets have the most important features for the

comfort of your guest: hands-free calling, muting and call hold! The HD3 has an antibacterial housing to protect against germs and is easy to clean. A large red LED indicator alerts the guest to calls or waiting messages. The handsets can be individually labeled.

## Basics and equipment
